Seymour, Gerald. "Rat Run" (mystery Thriller)

Child, Lee. "One Shot" (mystery thriller)

The tree, which moves some to tears of joy, is in the eyes of others only a green thing, which stands in the way. Some see Nature all ridicule and deformity, and by these I shall not regulate my proportions; and some scarce see Nature at all. But to the eyes of the man of imagination Nature is Imagination itself.

As a man is, so he sees.

TRENTHAM VOCAL NOSH

MARKET STREET GALLERY

If you've wandered down Market Street of late, you would have noticed that old Higgins' Barber shop has had a new lease of life. Charmingly renovated by Pat Sutton the dwelling is currently being used as an art gallery. "Thanks Pat". So please don't hesitate to pop in and say Hi to Rose or Louise and enjoy the local art. Put it on your visitors list when you have guests as your support would be most appreciated. We had a very successful opening a couple of months ago and once again wish to showcase some local art with another exhibition of new works. It will be held on 25th March from 2:00pm to 4:00pm. (Keep an eye out for flyers). A casual affair, BYO bottle, nibbles provided and enjoy the visual feast of talented artists that live in the area.
