Bigger and Brighter Than Ever

The 2011 Trentham Easter Art and Craft Show promises to be bigger and brighter than ever. Open from 10am to 4pm each day from April 22 (Good Friday) to Monday 25 with the Official opening and award presentation on Thursday 21st from 7.30pm. There is a stand-alone photography section and 5 new additional craft categories. All are invited to opening night at \$15 per head, which includes wine and a delicious supper. Enquiries to davidmccallum@internode.on.net or 5424 1483

New lighting in the Hall, financed by the show will ensure that the works entered will be shown in the best light.

Entry forms are available at Trentham Newsagency, Jargon, or www.trentham.org.au. Entries are open until Friday 8th April. Entry enquiries to Lyn Williams 5424 1199 or lynw50@internode.on.net.

Previous shows have

indicated that Trentham and its surrounds are home to some extremely talented artists and artisans. Many of our regular contributors have shown and won in other competitions. Three local artists entered portraits in the Archibald last year. One of them, Louise Otten, has given us a preview of her entry for this year: a portrait of local identity, Raoul Kent, whose biography was recently published.

Those planning their Easter break might well consider that a stroll in autumnal Trentham, to take in the Art Show, followed by a browse in local shops and nurseries, and a cup of coffee or even a meal at one of Trentham and surrounds fine eateries might be a fine way to recharge the batteries.

As always, we have been well supported by local businesses & identities: Acotts Nursery; Arch WP; Blumin; Catherine King MHR; Colliban Foodstore; Cool Country Tavern; Castlemaine; Feldspar, Fells Powerline & Electrical P/L; Geoff Howard MP; Fitzgerald Property; IGA Country

Supermarket; Jargon; Lily George's Hair & Beauty; LW & BA Sutcliffe, Reg. Builder; Medallion; Noah's Inn; Pig & Whistle Hotel; Radio Springs Hotel; Red Beard Historic Bakery; Springhill Nursery; The Cosmopolitan Hotel; The Nutty Orchard; The Wooden Duck; Trentham Antiques & Gifts; Trentham Hotel; Trentham Woodworking Company; Trentham Fish & Chips Takeaway; Trentham Hardware; Trentham Newsagency; Trentham Nursery; Trentham Petrol and Stuff; Trentham Pharmacy; Two Fat Wombats.

Artist Louise Otten and her portrait of Raoul Kent

Tickets for our raffle will be on sale from Saturday March 26th. Numerous prizes include a Wombat Esky, a mature tree, Dinner Vouchers for two at local eateries, gourmet baskets and other vouchers.

All proceeds from the Art Show are returned to the community either by way of enhancing future art shows or by improving local amenities.

Local cynic was impressed to get a 2010 commemorative 20 cent coin in his change. Seems the coin recognises the centenary of the Australian Taxation Office. Our cynic could accept that much, but reckons the slogan *Working for all Australians* was a bit rich.

Red and white was the order of the day when Jodie Bruton married Darren Watt at **Glen Erin** on Sunday 13 March. The bride was gorgeous and even Father of the Bride, Max Bruton, scrubbed up pretty well. Jodie grew up in Trentham attending Little Hampton Primary School and then Daylesford Secondary College before studying at Ballarat Uni. Darren came into the picture around 3 years ago and while the couple currently live and work in Perth, both are anxious to return home to Victoria. Congratulations Jodie and Darren. We wish you all the happiness in the world!

Velette and John Marion of Trentham, along with George and Josie Milford of Harcourt, enthusiastically celebrated the engagement of Steve to Lisa on Saturday 19th March 2011 at a Docklands dinner with family and friends.

Seen at the recent football/netball flood appeal fundraiser: Terry Rahill, Trentham in the 1960s and was back in town from Byron Bay for a family reunion. His father Gerry (Rahills Road was named after him) coached Trentham; his sister Geraldine married Colin, a former Gisborne player. The group enjoyed the atmosphere and were keen to hear about how the club was going. Geraldine was guest speaker at a local St Patricks football/netball flood appeal fundraiser talked about growing up in the 40s and 50s in East Trentham.

Community Bank progress report

(i) Building and staff

The 50:50 shared responsibilities require the local company to provide the premises and meet staffing costs while Bendigo Bank provides the banking products, guarantees etc.

Up our Opening date as soon as possible.

The Manager and other staff positions will be advertised in the Express and other local papers over the next couple of weeks and opening. We hope local people will apply for some of these positions and, to assist staffing flexibility, we will welcome applications from people looking for various time fractions and job-share arrangements.

(ii) Growing the business

The Cool Country Community Enterprises Ltd Board has adopted the vision:

Strong communities, supporting a strong bank, building stronger communities.

Throughout our project the strength of our communities has driven our pledging, survey responses and, most spectacularly, our capital raising and we thank all our shareholders for their support of this wonderful endeavour.

Our focus now is to grow *our Bank* to profitability so that it can help build stronger communities in Trentham and districts. To do this we need everyone to be part of *our Bank*, so help us grow the business and make it *your Bank* also. There are three ways you can do this:

1. If you are a customer of the Bendigo Bank, you should investigate transferring your banking to the Trentham & Districts branch, reference code 72102. Appointments with a banker can be made here in Trentham to assist you and there are incentives for you to make the change. These are fairly detailed so please contact a Board member who will direct you to how you can find out more. These incentives, for individuals and businesses, are associated with the opening of the new branch and are only available until 3 months after opening.

David Baker 0412 386 931; Sue Bruton 5424 1836 or 0427 341 836; Ian MacBean 5424 1727 or 0438 529 481; David McCallum 5424 1483; Rick Nolan 5424 1573; Corina Sabo 5424 1577 or 0409 866 695; Ken Warren 5348 5519; Wendy White 5424 1210; Ian Williams 5424 1199

2. Promote new banking business to your friends, relatives, former and prospective residents no matter where they live. Tell people how our small community is growing its own Bank and how they can contribute to its success. In this & something positive we can all do. If you are uncertain, again, please talk with a Board member.

And finally, if you already bank the opportunity to transfer your accounts to the Trentham & Districts branch when we open. Our best ambassadors. So please help us promote and grow *our Bank*.

Banking business tied to the V have at least \$10m by the time we open so, with incentives for people to transfer their banking across, our best possible start.

As possible when we will Open... what a great day that will be. We have the whole community there to celebrate.

7 c i b W] ` ` c f Ñg ` 7 c f b Y f

people to develop and oversee a council marked two decisions that I think show that council is really beginning to listen to the community here:

to the community by taking grant pool and hand it to Trentham to allocate as we see fit. This will require a group of non-aligned but nonetheless community- focused

process that will see the \$6000 allocated in the best way possible. This will be a trial, and possible repeat and expansion of the model will depend on how successfully we can see this money get to where it is needed most.

Secondly, we saw recognition of the hard work that community members have undertaken to care for previously neglected public spaces

as council prepared the way for the Trentham Reserves Committee to annex the Bath St. Reserve into their string of parks.

Finally, I hope that everyone is able to make it to the Municipal Strategic Statement review in Trentham and make their views about how planning and development in the Shire can best serve the needs of our community.

Trentham and Hepburn Shire Walking/Cycling Strategy

The third of five Hepburn Shire wide workshops held as part of the development of a Walking/Cycling Strategy for the Shire took place at the Trentham Neighbourhood Centre on 1 March 2011. CPG Australia Pty Ltd, a Bendigo based consultancy firm which completed management studies for several parks and reserves in the Shire in 2009, will report to council.

Approximately 25 people from Trentham, as well as Kyneton, Macedon and Tylden, took part in a very informative and successful evening which was coordinated by Mark Hands from CPG.

The Study being undertaken by CPG will consider the

< potential of the further

development and extension of the Domino Trail as a rail trail linking Carlesruhe and Daylesford [and potentially Creswick] and utilising the existing Government owned land along the now redundant railway line.

< creation of a signed walking and cycling trail linking the Domino Trail with the major reserves in Trentham [Quarry Street, Stoney Creek, Old Racecourse and Bath Street Reserves], and currently described as the Wombat Trail

< development of a trail between the Trentham Visitor Information Centre [at the historic Railway Station] and the Trentham Falls, a long-standing Trentham Lions Club initiative.

Those present were extremely enthusiastic about the potential of these concepts: a unique attraction for visitors to the area which would also be used regularly by locals.

A follow up Workshop in Trentham is scheduled for late April and your contribution and attendance would be welcomed.

More details of the proposals can be found on the Trentham website.

SPUDTASTIC fun, food, music, games, entertainment and activities galore!

You will be amazed at how much fun you can have with potatoes.

The annual Great Trentham Spudfest, now in its fourth year, will be held over the weekend of 20-22 May 2011. A key event on the calendar for Trentham, this festival is a wonderful way to celebrate the spirit of the community and recognise our potato-growing heritage.

Once again, the usually shy, humble and bashful potato bursts free from life underground and basks in the limelight for a weekend of festivities in its

honour. The Spudfest is an opportunity for visitors and the local community to join in a number of exciting spud activities.

There is something for everyone including:

- < Grand opening event with live music, entertainment and spud finger food
- < Spudtastic games, activities and fun for children of all ages
- < Spudtacular Dinner with live music, entertainment and excellent food
- < Historical spud hut tours and machinery display

- < Spud sales 1 varieties of potatoes for sale by local growers
- < Spud displays
- < Spud cooking competitions (for all ages)
- < Spud colouring competition
- < Spud art on the street
- < Live music throughout the weekend
- < Market days
- < Spud tent 1 eat, buy and be merry with spuds galore

Community Fireguard

The Fireguard (CFG) group has just finished a no-cost series of 4 Wednesday night sessions, run by a CFA facilitator and held in the community hall. The main course was to equip us to produce individualised fireplans, taking note of local contingencies.

The main topics covered were:

- < Fire Behaviour: importance of wind and wind changes;
- < House Protection: protection of properties whether we stay or go

Personal Protection: how to dress and prepare for a fire, again whether we stay or go, and what to have ready to take with us;

Producing a fireplan, and discussing it with the group.

Most meetings included a tour apart from checking out the fire pumps, hoses, sprinklers, and other fire relevant issues. A number of informative videos were shown, some from Black Saturday.

Participants judged the event both enjoyable and informative, and appreciated the relaxed and laidback atmosphere with a generous supper afterwards, which helped us all get to know the new neighbours and the old ones even more.

I would recommend to anyone who would like to start a CFG group or fire up an old one to contact me ASAP and your details will be forwarded to the local CFG Facilitator for follow-up.

Anzac Day Commemorations

As in previous years locals will have two opportunities to commemorate ANZAC DAY:

- < the increasingly popular Dawn Service, commencing at **6:00am** at the Cenotaph outside the Post Office, and followed by a cooked breakfast at the CFA in Market Street.
- < the 11:30am Service organized by the Lions Club for the Kyneton

Branch of the RSL. Those entitled to, and others wishing to march, are asked to assemble in High Street at the Town Square Rotunda at **11:15 am**. At approx. **11:30** the Marching Party will proceed to the Cenotaph for the traditional RSL Anzac Day service. Refreshments will be available at the Trentham Neighbourhood Centre following the service.

Trentham Community Groups Forum

The Trentham Community Groups Forum is a voluntary coalition of representatives of ten community groups and initiatives committed to working together for the overall betterment of Trentham and districts through active representation and advocacy. The Forum is responsible for the oversight of the Community Plan and meets regularly with the Hepburn Shire CEO and senior managers.

The Forum would be delighted to hear from community members who have an interest, ideas and perhaps some experience in any of the following projects:

- < facilitating the Business & Tourism Group
- < formulating a Positive Ageing Strategy
- < expanding Childcare options, particularly After School Care
- < administering a small grants program
- < developing a proposal for a Library
- < sustainable and affordable housing

Involvement is voluntary, but the rewards can be really satisfying and, you can help shape the future of your community.

Most of these projects will be

coordinated by the Trentham Community Groups Forum in the first instance and will hopefully, in time, take on a life of their own. While the list, even individual projects, looks daunting in scope we, as a community, need to take the initiative to drive these projects to ensure (i) that they happen see them happen.

If you have any interest at all please contact either: Brian Dunn, current Chair of the Forum (5321 6586) or Ian MacBean, Secretary, 5424 1727 to talk over what might be involved.

Autumn Fungi Workshops

The Wombat Forest is a known hotspot for its amazing diversity of fungal species in a myriad of colours and forms. As well as being bizarre and beautiful, fungi also play an important role in forest health. The Central Victorian Fungal Ecology Workshop series presented by local ecologist, Alison Pouliot, will run again this autumn.

identifying, photographing, learning about which ones you can safely consume, or just enjoying an autumn forest stroll to discover the world of fungi, you might like to join in.

Workshops include an extensive display of local fungi species, an illustrated and interactive seminar, and an exciting foray

Workshops will run on Saturday 14th May and Sunday 15th May at the Trentham Neighbourhood Centre. Further workshops will run from Daylesford, Creswick, Castlemaine, Woodend, Wedderburn and Apollo Bay.

Visit www.alisonpouliot.com or contact Alison directly at alison@alisonpouliot.com for full workshops details

Winter Words Exhibition

All are invited to view a public exhibition of beautiful photographs accompanied by words of very

Winter held in Trentham last August.

Come and see the places, spaces and activities that move local people. Share their experiences of celebrating the sacred within and beyond the everyday.

Dates: 21 April to 22 May, 2011

Exhibition opening: 21 April at 6.00 pm. Light meal provided

Photographs by Kate Baker and David Roberts. Words by the participants. All Welcome

This special exhibition has grown from the popular Words in

Church, Cnr Market & Camp Sts, Trentham

The Neighbourhood Centre runs on volunteers. We need volunteers to sit on our committee of management, to help run the youth group, for maintenance and gardening and to help run fundraising activities. If you are interested in gaining new skills, meeting people, and getting involved in your community then please drop in for a chat.

A Life of Mastery

Local identity, Raoul Kent has enjoyed considerable publicity recently: late last year a former pupil, and a recognized coach himself, Hayden Ellis, published Raoul Kent A life of Mastery. Now local portrait artist Louise Chh Y b \ U g d U] b h Y X after painting a spectacular d c f h f U] h c Z F U c i last year.

The hardcopy edition of the book sold out quickly and there are plans to bring out a paperback edition. To those of us observing a mild mannered Raoul walking the

streets of Trentham, the book is a progression from a childhood as the son of a domineering Eastern European father, to a martial arts master and thence to an extraordinary healer.

Ellis is clearly a disciple, and some of the claims may seem extravagant to the untutored mind. However, Raoul has clearly led a disciplined life, accepting only excellence from himself and others and, given his chosen discipline, spent much of his time

contact with those who threatened and dealt with violence.

This reader would have liked to extraordinary powers of healing: after all Jim Stynes attributes his unbroken run of 244 AFL games (despite sustaining significant efforts. It is a testimony to Raoul that so many of his former pupils, patients, and peers were prepared to enthusiastically contribute to this book.

Trentham Youth Group

Hepburn Shire Council and local volunteers are pleased to announce The Trentham Youth Group. This year, a new format has been organised, aimed at around the 10 - 14 year age group. The Youth Group meets every Monday afternoon from 4 pm until 6 pm, at the Trentham Neighbourhood Centre..

Activities include table tennis, ball games, a Wii, several computers

for use as well as many other activities. Proposals have been made to also provide organised outings and movie nights on a regular basis. There will also be regular workshops and cooking activities, with local people assisting whenever possible. There is no cost for attending.

It is a great opportunity to come together with other youths from the local area, to meet new friends

and to have some fun. All meetings are supervised by adult representatives from the council and the local community.

Parents are welcome to arrange a mandatory drop off and pick up of children if requested. Feel free to come along and see what it's all about.

For further information or enquiries, please contact Brendan on 54241402.

Trentham Sings

Conductor Val Goodwin founded Harmony has developed a broad repertoire which includes classical, folk, jazz and modern songs. The choir sings a Capella, and recently Moira Burke, a repetiteur, has become a very welcome part of the group.

Membership has increased slowly over the last three years and we now number 20. Rehearsals

regularly see 15 singers in attendance. We would welcome more members and we particularly need more tenors or higher toned baritones to balance the choir dynamic.

The calendar of events at Trentham has the choir performing five or six times a year, which include ANZAC day,

Words in Winter and two or three Christmas celebrations.

So if you would like to join and express yourself through song please come along to the Trentham Neighbourhood Centre on a Thursday night at 7.30, or phone Val Goodwin on 5424 1193 for more information.

Trentham CWA Ladies Did Well

The CWA Central Highlands Creative Arts Exhibition for 2011 was hosted by the Trentham and Malmsbury Clubs last weekend at Trentham Mechanics Hall. There was much work on the Thursday setting up the exhibition, followed by Judging taking place on Friday.

Saturday was the public day with the official opening by our local Councillor/Deputy Mayor Sebastian Klein at 1pm, followed by the presentation of trophies. An appreciative large crowd of locals and many visitors attended the day.

Although the Trentham CWA Branch is small in membership they accredited themselves very well with many of them winning their sections.

Looking Beyond Spuds

With Spudfest on its way, I remember how it started with memorable presentations in the Neighbourhood Centre by the Historic Society. Those sessions honoured the past and the workers that played their role in it. In its present form the festival has become a kind of tourist attraction.

In economic terms we have moved from the first stage of the economic cycle to the last stage: from primary production to leisurely consumption. Looking beyond the present into the future, it might make sense to realise that sustainable living and foreseeable energy shortages will wipe out tourism and step up demand for local food production. Not that anyone wants to go back to those spud-growing times with a lot of hardship! Neither can we continue the trend towards industrialised forms of agriculture. To become sustainable, agriculture will have to become labour-intensive instead of fossil-energy intensive. Local work-opportunities will replace work lost through decline of transport for commuting.

The best way of honouring the past through a celebration like Spudfest might be to start incorporating in its programme a dialogue on what a sustainable future equivalent of growing spuds and other crops in our area may look like...

The Trentham and District Historical Society Significant Tree Tour.

Saturday April 16th @ 1.30pm. Leaving from the Old Police Station at 2.00pm will be a guided tour of some of the trees nominated for the Hepburn Shire's Significant Tree Register. This will take the form of people driving cars from site to site. People will no doubt be surprised at how special are some of the trees. Afternoon tea will be served under one of the trees. There is no cost to the tour, although donations are always welcome, and it is open to all.

Local farmer to speak at Landcare

Ben Falloon will speak at the Landcare meeting to be held at The Pig and Whistle Hotel on Wednesday 13 April at 8.00pm. Ben has returned to the family farm at Tylden and practices the techniques he has developed to rejuvenate soils.

He has modified a deep ripping Yeomans plough so that it not only breaks up the sub-g c] \ ' ' V i h '] b ^ Y W h g ' U ' I h Y U I - organisms. He is part of a team which conducts workshops for farmers on this process.

Climate Change speaker at Tylden

The Upper Campaspe Landcare Network has organised a meeting to be held at 7.30pm on Wednesday 13 April at the Tylden Hall.

Dr. John Russell is a lecturer at Latrobe University and has researched climate data and effects on the Eppalock catchment. He will outline his work and his predictions for this area.

All are welcome and supper will be served.

TRENTHAM WEATHER
FEBRUARY 2011.

Another wet month for the Trentham region following on from a record wet January 2011. Generally speaking it was a humid month and that humidity affected some of our garden plants with mould and such things; most of the region recorded rainfall between 120 and 140mm. There was minor flooding (again) through the Trentham district from the 4th to the 6th. Meadows look brilliant as do our 'fat sheep' and happy cattle, however it has been difficult to cut hay due to the dampness. In some locations summer grass has grown sufficiently for a second harvest in early autumn.

The month started on a warm spell with the hottest day of the month on the 1st reaching 33.9°C; the heat was accompanied with very high humidity, on the 4th a minimum of 19.5c was recorded. Conditions cooled abruptly after the 5th: cool or mild weather conditioned for almost two weeks before a warmer spell commenced on the 23rd. Despite the late month warm spell the coldest night occurred during this period with a minimum of 2.1c on the 24th and some reports of a light ground frost. The windiest day appeared on the 19th with gusts between 55 and 70kph. As the Trentham region moves into Autumn groundwater and pastures are in top condition.

Trentham District Cricket Club

Our cricket club finished the season on a winning note with our Under 14's defeating Elphinstone and the Under 16's team beating Daylesford in their final games whilst our Senior side played some competitive cricket in its final match.

Presentation night was held on 18th March. Andy Thomas won the Senior batting award and the bowling award went to John

Cowell. Nick Whan won the Under 16's batting award and the bowling award went to Jenna Bruton. Our Under 14 side won the Most Catches award for the league, and Matherson.

TDCC presented a framed club shirt to Alan and Tony Dodemaide to recognise their support and would also like to thank Studio 40 for their contribution to the club

for the fantastic framing of the shirt.

Our cricket training nets have progressed with the boxing up for the concreting which we anticipate will be poured soon. It will be great to start next season off with some good facilities to train on.

TDCC would like to thank all our local community for supporting us with our fundraising and making the improvements possible.

Fundraiser event starts 2011 season for the SAINTS

The Trentham SAINTS hosted a practice match against Creswick SAINTS to kick off the 2011 season. About \$1,000 were donated to the Creswick community to support flood recovery.

Netball and football games were played in good spirit and the spectators and players alike certainly enjoyed the day, which was full of many FIRSTS.

Barry Mahar made his debut as coach, and James Gray debuted as captain, of the SAINTS new Under 15 football side. James reported that everyone played as a team, and Mahar was extremely pleased with performance, and named S. Gardiner, L. Adams, H. Sundblom, R. Bloomfield and J. Gray as best on ground. He also thanked several Daylesford juniors who joined the team for the day. Final score: Trentham 10.13 def. Creswick 1.4.

Trentham players for a new Under 13 netball side also took the court for the first time with two Trentham teams playing against each other. Parents, relatives and friends of junior players Tahlia, Kasey and Ngahua were thrilled to see their girls

the day. The friendship and caring behaviour from older girls is just great to see. her daughter was really enjoying playing netball and was very proud of her. Grandfather, Eli Brown, had three girls playing on the day and was thrilled with Kasey scoring 9 goals in her first match.

The Under 17 football team, coached by Owen Sundblom, had a

very good hit out against a quality opposition. Sundblom was pleased with the fighting qualities of his charges. Best on ground were P. Rowe, D. Bridgman and C. Pedley. Final score : Creswick 12.8 def. Trentham 6.7.

The Under 17 netball side, coached by Mia Kelly played in a tight match against Creswick. Mia named J. Bruton, S. Forgo and K. Miles as best players. Best on court for Creswick were J. Sutton and E. Rose-Murphy. Final

score: Trentham 26 def. Creswick 24.

New coach for the Trentham Reserves side, Bob Beare, was put in and showed something. The attitude was very to draw the match. He tipped R. score: Trentham 14.8 drew Creswick 14.8.

Vanessa Hanson-Cronin coached the Senior netball side against a classy Creswick side. She reported that the new Trentham players played well as a team: today. Creswick outscored Trentham 55-14.

Senior football side , coached by Dale Cowell were well prepared for a skilled Creswick match. Cowell named D. Canfield, W. Leighton and B. Spiteri as best on ground.

SAINTS Club President Troy Adams said good games of footy and netball, a lively atmosphere, and community support made it an all round winner of a day.
